

Go fishing.
Every day.

Fisheries Careers

Salary range

\$40K to \$100K

JOB DESCRIPTION: Studies fish and fisheries management with the goal of protecting or increasing the health of fish populations. There is a range of sub-specialization within this field, from counting fish in a river to counting dollars in an entire region. Jobs include fishery biologist, biometrician, economist and technician. If you love research, statistics and getting outdoors, fisheries is a great career choice.

ABOUT MARITIME WORKS

From fishing to research to piloting Alaska's ferries, the maritime sector provides more jobs in Alaska than any other private employer. We're working to connect Alaskans with the training to get those jobs. Maritime Works is a network of committed representatives of the occupations in Alaska's maritime economy, dedicated to building a strong workforce.
