Seafood Harvester

Salary range

\$20K to \$100K

JOB DESCRIPTION: "Seafood harvester" is a technical way to say "commercial fisherman" or "shellfish farmer." There are a lot of ways to get paid to go fishing, from working on a large ship with 100 crew members to working on a beach all by yourself. If you love the salty air and want to make your living from the sea, this is the career field for you. Aye, skipper.

ABOUT MARITIME WORKS

From fishing to engineering to piloting Alaska's ferries, the maritime sector provides more jobs in Alaska than any other private employer. We're working to connect Alaskans with the training to get those jobs. Maritime Works is a network of committed representatives of the occupations in Alaska's maritime economy, dedicated to building a strong workforce.

Get good skills, get a good job.
